

# Carmignac Gestion - Italian tax

## White list percentage - SICAV - 01/01/2025

Pursuant to the provisions of the Decree-law 138, issued by the Italian Government on 13/08/2011 (article 2, paragraphs 6, 7, 13 and 14), the Decree issued by the Italian Ministry of Economy and Finance on 13 December 2011, the Circular No.11/E issued by the Italian Tax Authorities on 28 March 2012 and the Decree-law 66, hereby we certify the percentages of Government Bonds directly or indirectly held by the following Funds, which will grant a reduced taxation rate in respect of income perceived by unit-holders in the period between 01/01/2025 and 30/06/2025. These percentages refer to the holdings in State Bonds issued by the Italian State (as well as bonds and similar securities treated as such) and to the holdings in bonds and assimilated securities issued by Countries which allow an adequate exchange of information with the Italian tax authorities, as listed in Ministerial Decree 4 September 1996 (and subsequent amendments). These Funds are established in EU/EEA Countries which allow an adequate exchange of information with the Italian tax authorities and subject to regulatory supervision in their relevant Country of establishment.
